Training Approach and Methodology

At Think Tree Technologies Inc, the learning life cycle is divided in **three stages** and we support you at all the three stages:

Training Stage 1: Best Training **"Guaranteed"**

We provide best training in entire country and you will have best learning experience is guaranteed by us. If at the time of initial 2 demo classes and you are not satisfied by our training, we will refund registration amount without any question. All our faculties have many years of teaching and implementation experience.

Training Stage 2 : Pre-Job Assessment and Preparation

After our best in class training, we will do provide following functions

- **Student Assessment** ○ Mock Interview ○ Checking Homework and assignments ○ **Rejoining course for 1 year with no Additional FEES.**
- **Resume preparation:** we make sure student resume is as per industry standards.

345, Plainfield Ave, Suite # 304/5/6, Edison, NJ 08817

dsadh@mythinktree.com / + 1973 885 7245

- **Marketing your** resume till you want. We **Guarantee actual Job Interview** for our students who market with us after assessment.

Learning Stage 3: On Job support

When a candidate gets placed by Think Tree, then we provide very important **On-Job support** so you could survive in challenging work environment. Unless there is a continuous and able On Job support it is very difficult for newly trained resource to survive.

Training Methodology

The Training is conducted in following methods:

In Classroom Training:

We have several classrooms in our training facility in **Edison New jersey (USA)** and all the classes are conducted in class setting with live faculty conducting classes. **Online Training:**

For several individuals it is not possible to attend in classroom due various reasons, those individuals can also attend classes “**same class**” **online** live using **Web Conference**.

Training material , Training Videos and System Access:

Training Material and Training videos:

We provide best in training material and Videos also supplemented with many documents from real implementation experiences /projects. **You will have access to class video recordings for 12 Months.**

SAP System Access:

The training is provided on all latest versions of SAP Software. We provide **12 months’ system access** after training and system access can be extended beyond three months as per discretion of Kabeer.

Training Plan & Timeline

Most Trainings are provided on **weekends (Saturday & Sunday)** as this is best schedule and facilitate best learning experience.
